This permit, issued pursuant to the provisions of 7 Del. C. Chapters 60 and 63, shall remain in effect for the term stated above provided the permittee is familiar with, and complies with, all terms and conditions herein.

Terms and Conditions:

1. As specified in the application for this permit, the following wastes may be transported by the permittee: used or waste oils (as defined by Part 279, Used Oil Management Standards); spent antifreeze exhibiting a characteristic of hazardous waste.
2. A copy of this permit must be carried in each transport vehicle and presented upon request to any law enforcement officer or representative of the Delaware Department of Natural Resources and Environmental Control (DNREC).
3. Permits issued for a period greater than one year: Permittees holding permits issued for a term greater than one year will be invoiced for the permit renewal fee annually during the term of said permit. The permit shall remain in effect until the expiration date identified above, provided the permittee submits the permit renewal fee within the time frame stated on the invoice.
4. Only those vehicles identified in the application for this permit may be used to transport the wastes identified in Condition 1. All vehicles shall be operated in accordance with Delaware's *Regulations Governing Hazardous Waste*, Section 263.105. Permittee shall also be responsible for all company vehicles operating under this permit.
5. Wastes identified in Condition 1 of this permit may not be transported to facilities that are not permitted or specifically approved by the receiving state to receive and manage those wastes.
6. The permittee's name shall be prominently displayed on both sides of the vehicle (motorized and containerized units) in figures at least 3 inches high, and of a color that contrasts with the color of the vehicle.
7. The permittee's permit number shall be prominently displayed on both sides and the rear of the vehicle (motorized and containerized units) in figures at least 3 inches high, and of a color that contrasts with the color of the vehicle.
8. Safety and Emergency Equipment: All vehicles shall carry the safety and emergency equipment

Delaware's good nature depends on you!

contained in the application for this permit in addition to any equipment required by DOT 49 CFR Motor Carrier Safety Regulations.

9. Spill Containment Equipment: All vehicles shall carry spill containment equipment appropriate for the type of waste being transported. All vehicles shall carry a copy of the Spill Control Plan.
10. All vehicles shall be equipped and operated so as to prevent any release of waste material to the environment.
11. All personnel shall be properly trained prior to handling or transporting wastes for which this permit is issued.
12. Permittee shall at all times be in compliance with applicable insurance requirements for motor carriers as prescribed by *Regulations Governing Hazardous Waste*, Section 263.103(b)(3) and the Federal DOT 49 CFR Part 387.
13. Permittee must notify the Solid and Hazardous Waste Management Section in writing of any additions or changes in waste types to be transported, ownership information, TSD facilities, and/or changes in operations, procedures or equipment within ten (10) working days after putting those changes into effect.
14. This permit does not relieve the permittee of complying with any other applicable Federal, State or local regulations or ordinances.
15. In the event that regulations governing the activity authorized herein are revised, this permit may be reopened and modified. Permittee shall be notified in writing and provided an opportunity for a public hearing. At that time, additional limitations, requirements, and/or special conditions may be included in the permit.
16. The provisions of this permit are severable, and if any provision of this permit, or the application of any provision of this permit to any circumstance is held invalid, the application of such provision to other circumstances and the remainder of this permit shall not be affected thereby.
17. Permittee shall immediately contact the Department in the event of a release of any waste material while in transport in or through . The 24 hr. numbers to call are 800.662.8802, 302.739.9401 or 911.
18. Any violation of the conditions of this permit, regulations promulgated by the Department of Natural Resources and Environmental Control, Secretary's Orders, or provisions of 7 Del. C., Chapters 60 or 63 will be grounds for suspension or revocation of this permit.
19. Special conditions: None.
